A promotional image for Wolters Kluwer. The background shows a healthcare professional, likely a nurse or doctor, in a clinical setting. She is wearing a purple scrub top and has a stethoscope around her neck. She is looking towards the camera with a slight smile. In the background, another person is visible, blurred, working at a desk. Overlaid on the image is a blue text box on the left containing contact information for a product service consultant. At the bottom center, there is a white box with the Wolters Kluwer logo and name.
