Publication Charges

Would you like to submit for Open Access publication?

There are two possible routes to publishing Open Access with the Microbiology Society:

1. [Fee-free Open Access through Publish and Read:](#)

You are eligible for fee-free Open Access if:

- You are based at an institution listed here: www.microbiologyresearch.org/fee-free-open-access.
- You submit using your institutional email address

If you fulfil **both** criteria above, you will be automatically included. Please confirm your eligibility by clicking 'View Publication Charges' below to see the full discount applied. For more information on Publish and Read, please see here: www.microbiologyresearch.org/publish-and-read

2. [Open Access through paying an Article Processing Charge \(APC\):](#)

If you are not eligible for Open Access via a Publish and Read agreement, you will be asked to pay an Article Processing Charge (APC). Please ensure you view the estimated cost by clicking the 'View Publication Charges' button and applying any discount. Please see our website for possible discounts: www.microbiologyresearch.org/publishing-costs.

For all queries please email jgv@microbiologysociety.org

Potential Funding Options

Charges Estimate

You are eligible for fee-free Open Access under a Publish and Read agreement with your institution.

The information you have provided during peer review indicates that you are eligible for fee-free Open Access under a Publish and Read agreement with your institution.

You do not need to do anything more and you do not need to click 'Seek Funding' below. Funding will be requested automatically if your article is accepted and sent to production.

However, if you do not wish to publish under the agreement and would like to pay an Article Processing Charge (APC) instead, choose 'Bill Me' and click 'Next'.

If you have any questions please email journals@microbiologysociety.org and include your manuscript number.
